

C# Fm G#  
My song is love  
C# Fm G#  
Love to the loveless shown  
C# Fm G#  
And it goes up  
F# C# G#  
You don't have to be alone

C# Fm G#  
Your heavy heart  
C# Fm G# F#  
Is made of stone  
C# Fm G#  
And it's so hard to see you clearly  
F# C# G#  
You don't have to be on your own  
F# C# G#  
You don't have to be on your own

F# C# G#  
And I'm not gonna take it back  
F# C# G#  
Well I'm not gonna say I don't mean that  
F# C# G#  
You're the target that I'm aiming at  
F# C# G#  
And I get that message home

C# Fm G#  
My song is love  
C# Fm G# F#  
My song is love, unknown  
C# Fm G#  
I'm on fire for you, clearly  
F# C# G#  
You don't have to be alone  
F# C# G#  
You don't have to be on your own

F# C# G#  
And I'm not gonna take it back  
F# C# G#  
And, I'm not gonna say I don't mean that  
F# C# G#  
You're the target that I'm aiming at  
F# C# G#  
But I'm nothing on my own  
F# C# G#  
Got to get that message home

F C# G#  
F C# G#

F# C# G#  
And I'm not gonna stand and wait  
F# C# G#  
not gonna leave it until it's much too late  
F# C# G#  
On a platform, I'm gonna stand and say  
F# C# G#  
That I'm nothing on my own  
F# C# G#  
And I love you, please come home

F# C# G# A#m  
F# C# G#  
A#m F# C# G# A#m  
My song is love, is love unknown  
F# C# G# A#m  
And I've got to get that message home
