Am G

1. Winter's cityside, crystal bits of snowflakes

F E

all around my head and in the wind.

Am G

I had no illusions that I'd ever find

F E

a glimpse of summer's heatwaves in your eyes.

Am F G E F

You did what you did to me, now it's history, I see,

Dm E

here's my comeback on the road again.

Am F G

Things will happen while they can,

E F

I will wait here for my man tonight,

Dm E

it's easy when you're big in Japan.

Am - F - G - E

You're big in Japan, you're big in Ja.....pan,

F - Dm E

you're big in Japan, yeah, it's there!

Am

You're big in Japan,

F G E

then I'll sleep by your side, all through the night,

F Dm E

things are there, it's easy, though I'm here.

Am G

2. Neon on my naked skin, passing silhouettes

F E

of strange illuminated mannequins.

Am G

Shall I stay here at the zoo, should I go and change

F E

my point of view for other ugly scenes.

Am F G E F

You did what you did to me, now it's history, I see,

Dm E

here's my comeback on the road again.

Am F G

Things will happen while they can,

E F

I will wait here for my man tonight,

Dm E

it's easy when you're big in Japan.
