

(E) Calling all (Am/E)stations (Esus2)
(Esus2/B)Can anybody (Bm)tell me,
(D/B) tell me exactly where I (Bm6)am
(D/B) I've lost all sense of di(Bm6)rection (D/G)
(Bm/G)Watching the darkness (D/G)closing around me
(Bm/G)Feeling the cold all through my (D/G)body
That's why I'm (Am)calling all stations
In the (C/A)hope that someone hears me
(Em) A single lonely voice

I feel the sensation disappearing
(Am6-5/E) There's a tingling in my (Em)arms
And there's a numbness in my (Em)hands

(Am)All the broken (D)promises
(G)All my good intentions don't add (Em)up to very much
And I (F)realise whatever (D)happened,
Whatever (G)happened
I remember all the (Bm/E)moments
That I've (C/E)wasted in my (D/E)life
All the (G)things I was (Em/G)always gonna (Bm/G)do (G)
(C/A)Why is it (Am)now (C/A)when it's too (Am)late
That I (Em)finally realise what's im(Em)portant to
(D/E)me
To think that (Em/C)everything that's (D/C)dear to me
And is (Em/C)always in my (D/C)heart
Could (Em/D)so easily be (D)taken
And it's (C/D)tearing me a(D)part)
Going (Am)over and over in my (C/A)mind
I (Em)relive it one second at a time

(E)Calling all (Am/E)stations (Esus2) (Esus2/B)
Can anybody (Bm)tell me, (D/B)tell me exactly where
(Bm6)I am
How (D/B)different things look when your (Bm/G)all on
your own (D/G)
(Am)Watching the darkness (C/A)closing all around me
All around (Bsus4)me (B) (Bsus2) (B)
And I (C)look for the (Csus2)feeling
Of your (C)arms to re(Csus2)mind me
Of (G)everything that's (Bm/G)dear to me
And is (Am)always in my (C/A)heart
Could (Bm/D)so easily be (D)taken
And it's (G5/D)tearing me (D)apart
Going (Am)over and over in my (C/A)mind
I (Bsus4)relive it one (B)second at a (Bsus2)time (B)
