

Giriş: *Am C F C E*

Verse:

*Am C F C E*  
Time to laughter but you know the answer. Who will be the one.  
*Am C F C E*  
To finally stand up and take a chance. 'Cause life has just begun.  
*Am C*  
And I don't need the tv, I don't need the shotgun  
*F C E*  
I don't have to run, I can reach you  
*Am C*  
I'll follow the feeling and swallow the meaning  
*F C E*  
I don't have to run if I need you. I can reach you

Chorus:

*Am C F*  
I will do what I feel like. Hey, can't stop me now.  
*C E Am C F*  
I will do what I feel like. Hey, can't stop me now.  
*C E*  
I will do what I feel like.
