

C      Am      C      Am  
Come away with me, in the night  
C      Am    Bm   F   C      G  
Come away with me, and I will write you a song  
C      Am      C      Am  
Come away with me, on a bus  
C      Am      Bm   F   C      G  
Come away where they cant tempt us with their lies

G      Fmaj7      C  
I want to walk with you, on a cloudy day  
G      Fmaj7      C  
In fields where the yellow grass grows knee-high  
G      C  
So won't you try to come

Come away with me and we'll kiss on a mountaintop  
Come away with me and I'll never stop loving you

G      Fmaj7      C  
And I want to wake up with the rain falling on a tin roof  
G      Fmaj7      C  
While I'm safe there in your arms  
G      C  
So all I ask is for you to...

C    Am      C    Am  
Come away with me, in the night  
C    G      C  
Come away with me
