

*Am*  
Mine, immaculate dream,  
*C*  
Made of breath and skin,  
*G Em*  
I've been waiting for you,  
*Am*  
Signed with a whole tattoo,  
*C*  
Happy birthday to you,  
*G Em*  
Was created for you.

*Am*  
I cant help but keep from falling apart,  
*G*  
At the seams,  
*Am*  
I cannot believe their taking my heart,  
*C G*  
Into pieces

*Am*  
Ohh it might take a little time,  
*C*  
Might take a little crime,  
*G Em*  
To come undone,  
*F*  
Now we'll try,  
*F*  
To stay blind,  
*G Em*  
To the hope and fear outside,  
*F G*  
Hey child, stay wilder than the wind, can blow me in,  
*Am*  
To crime,  
*C*  
Who do you need,  
*F*  
Who do you love,  
*G F Am*  
When you come undone.
