

G C F (2x)

G C
You would not believe your eyes
F G C F
If ten million fireflies lit up the world as i fell asleep
G C
'Cause they'd fill the open air
F
and leave teardrops everywhere
G C F
you'd think me rude but I'd just stand and stare

Chorus:

F C G
I'd like to make myself believe
F C Em F
that planet Earth turns slowly
F C F G Am
Its hard to say that I'd rather stay awake when I'm asleep
F C D
'Cause everything is never as it seems

(Same chords as verse)

'Cause id get a thousand hugs from ten thousand lightning bugs
as they tried to teach me how to dance
A foxtrot above my head
a sockhop beneath my bed
a disco ball is just hanging by a thread

F Am G
I'd like to make myself believe
F C Em F
that planet Earth turns slowly
F C F G Am
Its hard to say that I'd rather stay awake when I'm asleep
F C G
'Cause everything is never as it seems
F

When i fall asleep

G C F

leave my door open just a crack
(please take me away from here)
'Cause i feel like such an insomniac
(please take me away from here)
why do i tire of counting sheep
(please take me away from here)
when I'm far too tired to fall asleep

To ten million fireflies
I'm weird 'cause i hate goodbyes
i got misty eyes as they said farewell
but ill know where several are

if my dreams get real bizarre
'cause i saved a few and i keep them in a jar
