A#m D#m A#m D#m

I'm sitting here and thinking about this messy situation
A#m   D#m

And how your stupid words have brought us only complications
A#m   D#m

I should have known when you gave me the eye
A#m   D#m

You just had your way didn't need to try
C#   C   F

And you just had so many words but nothing real to say
A#m   D#m

And that was something that I found but it was just too late
A#m   D#m

It seems I only think of you
A#m   D#m

that's the crazy thing with all you put me through and
C#   C   F

I don't believe
A#m D#m

It was me that made the first move
G#   C#   F

I don't believe
A#m D#m

That you did it to me once again
G#   C# F

I don't believe
A#m D#m

You could leave something so good
G#   C#   F

What more can I do I leave it up to you
F#   F

It seems the less you speak The more I want you here with me
A#m   D#m

But something funny tells me that ain't how it's gonna be
A#m   D#m

So I pretend as though I never cared

A#m   D#m

And forget those times that we both have shared
C#   C   F

And you go out your way to break another sorry heart
A#m   D#m

Like you did to me you planned it from the very start
A#m   D#m

I better get a grip of myself
A#m   D#m

This is killing me with no one else
C#   C   F

This is killing me with no one else
C#   C   F

I don't believe
A#m D#m

It was me that made the first move
G#   C#   F

I don't believe
A#m D#m

That you did it to me once again
G#   C# F

I don't believe
A#m D#m

You could leave something so good
G#   C#   F

What more can I do I leave it up to you
F#   F

I love when you avoid my calls
F# F   A#m

I love you were the one to start and end this song
F# F   A#m

Coz otherwise you get me with your dangerous smile
F#   F   A#m

But now you've gone and left me with nothing
D#m   F

I don't believe
A#m D#m

It was me that made the first move
G#   C#   F

I don't believe
A#m D#m

That you did it to me once again
G#   C# F

I don't believe
A#m D#m

You could leave something so good
G#   C#   F

What more can I do I leave it up to you
F#   F
