Em
I remember years ago
Someone told me I should take
Caution when it comes to love
I did,
Em
And you were strong and I was not
My illusion, my mistake
I was careless, I forgot
I did
   С
And now when all is done
There is nothing to say
You have gone and so effortlessly
You have won
You can go ahead tell them
          Em
Tell them all I know now
Shout it from the rooftops
Write it on the skyline
         С
All we had is gone now
          Em
Tell them I was happy
And my heart is broken
All my scars are open
          С
Tell them what I hoped would be
    Em
Impossible, impossible
    D
             С
Impossible, impossible
em
Falling out of love is hard
Falling for betrayal is worst
G

Broken trust and broken hearts I know Em Thinking all you need is there Building faith on love is worst Empty promises will wear I know С And now when all is gone There is nothing to say Em And if you're done with embarrassing me On your own you can go ahead tell them Em Tell them all I know now G Shout it from the rooftops Write it on the skyline С All we had is gone now Em Tell them I was happy G And my heart is broken All my scars are open Tell them what I hoped would be Em G Impossible, impossible С D Impossible, impossible
