

Am
He comes from a foreign place
E
An island far away
Am
Intrigues me with every move
E
Til' I'm breathless, I'm helpless, Can't keep my cool
Am
Steals my heart when he takes my hand
E
And we dance, to the rhythm of the band
Am
I feel his finger tips, grip my hips
E
And I slip as we dip into a state of bliss

E
Mama used to warn me
Am
To beware of those Latin lovers
E
She said I gave my heart too soon
Am
And that's how I became your mother
E
I said ay mama, you seem to forget
Am
I'm not in love yet, sweet talk don't win me over
E
But I realised
Am
Big brown eyes can hypnotize

When he says

Am Dm
I am full blood boricua
E
Read the tattoo on his arm
Am Dm
He tells me, mami I need ya
E
And my heartbeat pumps so strong
Am Dm
Getting lost in el ritmo
E
He whispers te quiero, te quiero
Am Dm E
I begin to give in with no hesitation
Can't help my infatuation
(Ah ah, ah ah, ah ah)
It's pure infatuation
(Ah ah, ah ah, ah ah)

Hey

Am

Skin the color of cinnamon

E

His eyes light up and I melt within

Am

Feels so good it must be a sin

E

I can't stop what I started, I'm giving in

Am

He brings life to my fantasies

E

Sparks a passion inside of me

Am

Finds the words when I can not speak

E

In the silence, his heartbeat is music to me

E Am

Mama used to warn me

Dm

Not to rush love with another

E Am

She said I'm not trying to lecture

Dm

I just care about my daughter

E Am

Ay mama, you seem to forget

Dm

I never will let a man control my emotions

E Am

But when he smiles

Dm

I feel like a little child

When he says

Am Dm

I am full blood boricua

E

Read the tattoo on his arm

Am Dm

He tells me, mami I need ya

E

And my heartbeat pumps so strong

Am Dm

Getting lost in el ritmo

E

He whispers te quiero, te quiero

Am Dm E

I begin to give in with no hesitation

Can't help my infatuation

(ah ah, ah ah, ah ah)

It's pure infatuation

(ah ah, ah ah, ah ah)

Hey

E Am

Caught between my mama's words

Dm

And what I feel inside

E Am

I'm wanting to explore his world

Dm

But a part of me wants to hide

E Am

Should I risk it, can't resist it

Dm

This has caught me by surprise

E Am Dm

Should I, let him take me to Puerto Rico

I can't hold back no more

Let's go tonight...

Ooh, hey

Am Dm

I am full blood boricua

E

Read the tattoo on his arm

Am Dm

He tells me, mami I need ya

E

And my heartbeat pumps so strong

Am Dm

Getting lost in el ritmo

E

He whispers te quiero, te quiero

Am Dm E

I begin to give in with no hesitation

Can't help my infatuation

(Ah ah, ah ah, ah ah)

It's pure infatuation

(Ah ah, ah ah, ah ah)

Hey
