

*F*

Oh her eyes, her eyes

*F*

Make the stars look like they're not shining

*D*

Her hair, her hair

Falls perfectly without her trying

*B*

She's so beautiful

*B* *F*

And I tell her every day

*F*

Yeah I know, I know

*F*

When I compliment her

*F*

She won't believe me

*D*

And it's so, it's so

*D*

Sad to think she doesn't see what I see

*B*

But every time she asks me do I look okay

*F*

I say

*F*

When I see your face

*D*

There's not a thing that I would change

*B*

Cause you're amazing

*F*

Just the way you are

*F*

And when you smile,

*D*

The whole world stops and stares for awhile

*B*

Cause girl you're amazing

*F*

Just the way you are

*F*

Her nails, her nails

*F*

I could kiss them all day if she'd let me

*D*

Her laugh, her laugh

*D*

She hates but I think it's so sexy

*B*

She's so beautiful

*F*

And I tell her every day

*F*

Oh you know, you know, you know

*F*

Id never ask you to change

*D*

If perfect is what you're searching for

*D*

Then just stay the same

*B*

So don't even bother asking

If you look okay

*F*

You know I say

*F*

When I see your face

*D*

There's not a thing that I would change

*B*

Cause you're amazing

*F*

Just the way you are

*F*

And when you smile,

*D*

The whole world stops and stares for awhile

*B*

Cause girl you're amazing

*F*

Just the way you are

*F*

The way you are

*D*

The way you are

*B*

Girl you're amazing

*F*

Just the way you are
