In the ocean, deep down
C Am E F
Under raging waves, wrapped in memories, you'll find
C Am Dm
Wrecks of stately ships, they all went astray

Dm
When the sailman's sailing away
g C Dm
He shows that the dream of Lemuria is true
Dm
A land lost he will find again
G C Dm
Hear the call from the depth of the anemone song
Dm
Do you dare to enter the ship?
G C Dm
Hear the call from below of an underwater world
Dm
Land of Mu is close to the stars
G C Dm
In the arms of the sea you will live as hypnotized

Call of Narayana, the seven-headed on
Lemuria, rise!
