

intro: E D A      E D A

(Verse 1)

E      D      A              E      D      A

I make the most of all this stress I try to live without regrets

E      D      A              E D A

But I'm about to break a sweat I'm freakin' out

E      D      A              E      D      A

It's like a poison in my brain It's like a fog that blurs the sane

E      D      A              E D A

It's like a vine you can't untangle I'm freakin' out

F#m      B2      F#m      D

Every time I turn around Something don't feel right

(Chorus)

E D A              E

Just might be paranoid I'm avoiding the lies

D              A              E      D      A

Cause they just might slip Can someone stop the noise?

E      D      A

I don't know what it is But I just don't fit

E D A      E D A

I'm paranoid      Yeah!

(Verse 2)

E      D      A              E      D      A

I take the necessary steps To get some air in to my chest

E      D      A              E      D      A

I'm taking all the doctor's meds I'm still freakin' out

E      D      A              E      D      A

That's why my ex is still my ex I never trust a word she says

E      D      A              E      D

A

I'm running all the background checks And she's freakin' out

F#m      B2      F#m      D

Every time I turn around Something's just not right

(Chorus 2)

E D A              E

Just might be paranoid      I'm avoiding the lies

D              A              E      D      A

Cause they just might slip Can someone stop the noise?

E      D      A

I don't know what it is But I just don't fit

E      D      A

E

Consider me destroyed (Consider me destroyed) I don't know how to act

D      A              E      D      A

Cause I lost my head I must be paranoid (Must be paranoid)

E      D      A              G

And I never thought it would come to this I'm paranoid

A              E      G              A

E

Stuck in a room of staring faces     Caught in a nightmare, can't wake up

G                      A                      F#

If you hear my cry, running through her street

F                      F                      E

I'm about to freak, come and rescue me

(Chorus 3)

E    D              A                              E

Just might be paranoid (Might be paranoid) I'm avoiding the lies

D                      A                      E

Cause they just might slip Can someone stop the noise?

D              A

(Can someone stop the noise)

E    D              A

I don't know what it is But I just don't fit

E              D              A

E

Consider me destroyed (Consider me destroyed) I don't know how to act

D    A                      E    D              A

Cause I lost my head I must be paranoid (Must be paranoid)

E              D              A                      E

And I never thought it would come to this I'm paranoid
