Intro: Am G F E x2
         Am
Is your secret safe tonight?
And are we out of sight?
Or will our world come tumbling down?
            Am
Will they find our hiding place?
       G
Is this our last embrace?
Or will the walls start caving in?
(It could be wrong, could be wrong) But it should've been right
(It could be wrong, could be wrong) Let our hearts ignite
(It could be wrong, could be wrong) Are we digging a hole?
(It could be wrong, could be wrong) This is outta control
                                Am
(It could be wrong, could be wrong) It could never last
(It could be wrong, could be wrong) Left to raise it fast
(It could be wrong, could be wrong) But it could've been right
(It could be wrong, could be)
        C
Love is our resistance
They keep us apart and they won't stop breaking us down

                   Am/G
                            F
And hold me, our lips must always be sealed
Am G F E
         Am
If we live our life in fear
I'll wait a thousand years
Just to see you smile again
              Am
Quell your prayers for love and peace
You'll wake the thought police
```
