Em C B
Like seven inches from the midday sun
Am B
Well, I hear you whispering in the words, to melt everyone
Em C B
But you stay so cool

Em C B Em C B
My muñequita, my Spanish Harlem, Mona Lisa
Am
You're my reason for reason
B Em C B
The step in my groove

Em C B)
And if you said this life ain't good enough)
Em C B)
I would give my world to lift you up)
Em C B Am)[A]
I could change my life to better suit your mood)

Em C B)

Em C B
But I'll tell you one thing
Em C B
If you would leave it would be a crying shame
Am
In every breath and every word
B Em C B
I hear your name calling me out
Em C B
Out from the barrio
Em C B
You hear my rhythm on your radio
Am B
You feel the turning of the world, so soft and slow
Em C B
Turning you round and round
