C#5 C stoplight lock the door don't look back undress in the dark and hide from you all of you

CDA

You'll never know the way your words have haunted me I can't believe you'd ask these things of me you don't know me

Em D С You belong to me Am Em my snow white queen D С Am there's nowhere to run, so lets just get it over Em D С soon I know you'll see Am Em you're just like me D С Am Em D don't scream anymore my love, cause all I want is

C#5 C Wake up in a dream frozen fear all your hands on me I can't scream, I can't scream

C D A I can't escape the twisted way you think of me I feel you in my dreams and I don't sleep I don't sleep
