```
Am
I've been trying to find the right words
But they always seem to hit the page wrong
You see I tend to fight words
I breathe 'em into life, and they're gone
                     G
I need some louder speaking actions
                   Am
They do what letters could never do
You see, you are my addiction
I need more than words to show you
(chorus)
   Am C G D Am C
So listen to me, listen
        D
Listen to my heartbeat
Am
                       G
I'd like to think you understand me
                  Am
But I never really like to assume
So you never have to ask me
I'ma let my actions tell you the tru-hu-huth
For you-hu-hu-hu
                   D
There is nothing I wouldn't go through-hu-hu-hu
And if you need some proo-hu-hu-oof
You can find it in what I do-hu-hu-hu
(listen to me baby) And I could tell you everyday
Just how much I want you
             С
I-I-I-I I've never been good with words
But I went and wrote this song for you
    Am C G D Am C
So listen to me, listen
             D
Listen to my heartbeat
    Am C G D Am C
```

So listen to me, listen G D Listen to my heartbeat Listen to my heartbeat Listen to my heartbeat
