

C G Am

All I hear is voices in the crowd

C G F

Though they only whisper though they frown

C G Am

People say "oh its such a shame"

C G F

Still they only look to pass the blame

Dm C G

If we can find a way to work things out

Dm C G

The only way to start is to start now

C G

When are we gonna stand up as people

Am G

Realise as people were all equal

C G

We dont want no world war sequel

F G

For the love of god think of the people

C G

When are we gonna stand up as people

Am G

Realise as people were all equal

C G

We dont want no world war sequel

F G

For the love of god think of the people

C G Am

Children always learn by what they see

C G F

So we gotta practise what we preach

C G Am

Don't you know its the game of life

C G F

We refuse when we choose to fight

Dm C G

If we can find a way to work things out

Dm C G

The only way to start is to start now
