

Am *F*
I've always been the kind of girl
C *G*
That hid my face

Am *F*
So afraid to tell the world
C *G*
What I've got to say

Am *F*
But I had this dream
C *G*
Right inside of me

Am *F*
I'm gonna to let it show
C
It's time
G
To let you know
G
To let you know

Am *F*
This is the real, this is me
C *G* *Am*
I'm exactly where I'm supposed to be now
F

Gonna let the light
C *G*
Shine on me
Am

Now I found
F

Who I am
C *G*
There's no way to hold it in
Am *F* *C* *G*
No more hiding who I wanna be
Am *F* *C* *G* *Am* *F* *G*
This is me

Am *F* *C* *G*
Do you know what it's like to feel so in the dark
Am *F* *C* *G*
To dream about a life where you're the shining star
Am *F*
Even though it seems
C *G*
Like it's to far away
Am *F* *C*
I have to believe in myself
G
It's the only way

Am *F*

This is the real, this is me
