

A D

Six o'clock in the morning

A D

You're the last to hear the warning

A D A D

You've been trying to throw your arms around the world

You've been falling off the sidewalk

Your lips move but you can't talk

Tryin' to throw your arms around the world

A D A D A D A D

I'm gonna run to you...run to you...run to you...be still

A D A D A D A D

I'm gonna run to you...run to you...run to you...woman I will

Sunrise like a nosebleed, your head hurts and you can't breathe

You been tryin' to throw you arms around the world

How far are you gonna go before you lose your way back home?

You've been trying to throw your arms around the world

I'm gonna run to you...

I dreamed that I saw Dali with a supermarket trolley

He was trying to throw his arms around a girl

He took an open top beetle through the eye of a needle

He was tryin' to throw his arms around the world

I'm gonna run to you...

Bridge: A E D A A E D A D A D

Nothin' much to say I guess, just the same as all the rest

Been trying to throw your arms around the world

A woman needs a man like a fish needs a bicycle

When you're tryin' to throw your arms around the world

I'm gonna run to you...run to you

I'm gonna run to you...run to you

I'm gonna run to you...run to you

Woman be still...woman be still

Be still...woman be still, woman I will
